Welcome to our Newsletter!

Welcome back to the Summer term.

Please keep an eye on the website calendar for all the events this summer.

It has been great having the sunshine at last. We do take advantage of our outside space at this time of year, so please could your children have sun hats, sun cream and water bottle.

A gentle reminder that full school uniform needs to be adhered to especially shoes, girls must not wear open toed sandals, the reason being in a classroom with 30 chairs and 15 tables the risk of injury is huge.

I hope that you are all following our Facebook account and enjoying the updates around events, celebrations and excellent work. If you have not yet joined our Facebook group please complete the green parents Facebook agreement form and send it into school, duplicate forms are available at reception.

Over Easter our new cabin has been built. It looks amazing and is currently being furnished. The cabin will be used this term for small groups led by Miss Arkley.

Our Year 6 are working extremely hard in the last few weeks before SATs, everyone is doing their best. All year groups have had new children join them this term who have been made most welcome.

This week we have had RSPB workshops; classes explored the grounds, habitats and wildlife. This afternoon Vernon Coaker local MP is coming in to meet Priory Parliament.

Enjoy your weekend

Mrs Curson

Dates To Remember

2-4 th	May	Y4 PGL
7 th	May	Bank Holiday

18 th	July	Gedlings Got Talent
21 st	July	Garden Party
23 rd	July	Leavers assembly
24 th	July	Y6 Leavers Ball
25 th	July	Break up for Summer

E-Safety

Unfortunately, the 'Keep our Children Safe Online' parents' event by Nottinghamshire County Council had to be cancelled last term as we did not have enough interest from parents to make the cost to the school worthwhile. We are more than happy to reorganise this for Summer term if we gather enough interest from parents and guardians. To find out the latest online safety information shared by the government we will shortly have a link on our website to a Parent Zone with all the current articles and advice. We will also post important updates on our Facebook page to keep you up-to-date. Please, keep checking this information as it is imperative that we work together to protect our children online and offline, especially with the continuing progress in technology as well as the accessibility of the internet, online gaming and instant messaging apps.
