

☺ Come and join Priory PTA ☺

Hello to our friends and families of Priory,

We are a group of parents who meet once a term to discuss and plan fundraising events. Unfortunately a lot of our members have left us this year as their children moved on to secondary school. We would love it if you could join us and share any great ideas you have about fundraising.

You can help out in lots of different ways; some parents like organising prizes for raffles, others are good at finding bargains for lucky dip, some people like helping out on stalls, others help by ordering online, or helping run the barbecue or termly tuck shop.

We understand that people can't make it to every meeting but please don't be put off joining because of that. You can do as little or as much as you want our main aim is to be able to keep fundraising for the school. We appreciate how busy everyone is but just a few hours here and there will make all the difference.

Where does the money raised go?

Over the years we have paid for: the reading chair in the outdoor reading zone, new books to go in the library, the wonderful games tables that are for the children to play on, Pride trips and buses, the panto, Christmas parties, the Life Education Bus, the school team sports kits and the new chairs in the library. We also subsidise a lot of the school trips by paying for the coaches. We really need your help because without a PTA there is no extra money to pay for many of these things. If you can't help in person you can help electronically by signing up to our [easyfundraising.org](https://www.easyfundraising.org) page. When you spend money online through this site our school would get a small donation. An easy way to raise funds for free.

The next PTA meeting is on Monday 10th Sept 6.15 pm at Priory. Please come along, we really look forward to seeing you.

From,

The Priory PTA
