28th September 2015

Dear Parent / Carer

During the course of the school year, governors will be undertaking some focused activities to quality assure pupil's behaviour. Governors believe the behaviour to be good in school and visits are being carried out to keep it under review and to support the school in maintaining and improving that good behaviour. We are always looking to improve and innovate.

The behaviour review is designed to:

- Support the school in assessing pupil behaviour and identifying strengths to build on and areas for Improvement.

The behaviour review will take place at various times of the school day – and will include observations of behaviour on arrival at school, in-between lessons and during lunchtimes. To assist with the review, Governors may wish to have an informal discussion with pupils and parents. Governors undertaking the review will be wearing the official Priory Junior Governor lanyard.

**Please note that Governors will not be making a professional judgement about behaviour but they will be feeding back to the Head Teacher about the impression they receive on the effectiveness of the actions taken by leaders and managers since the previous review to improve behaviour.*

As always, if you have any questions about the behaviour review – or any aspect of behaviour, please contact me at the school.

Yours sincerely

Sue Curson
