Le Jolie Ronde French Club

Dear Parents,

I have been exploring the option of running a French before or afterschool Club.

This would be run by a fully qualified languages teacher called Anna Vasco who works for a company called Le Jolie Ronde. Each session would be charged at £4.60 per lesson and works on a term by term basis (payment upfront for the whole term is required).

A little from Anna:

“I am fluent in French and have seen for myself how quickly young children can pick up a foreign language – and how much they enjoy it! Research shows this is the best time to learn a foreign language, and already gives them a basic knowledge and grounding for their senior educational years ahead of them!

I'm pleased to say I've had excellent feedback from some of the Year 6's I have taught, and that have recently moved on to their secondary school on how much they've already progressed in French classes and it's given them that extra edge and confidence in class and a flair for learning a foreign language. Having graduated in languages and business, lived in France and worked for a French company, modern foreign languages do play a key role in later life, whether it be on a social level on holiday or academic level linking languages to your career aspirations”.

At this point this is only exploration of the idea and would need 12-14 families to commit to at least 1 term. If this is something you would be interested in, then please send a text to the school text system using the words FRENCH - YES - Then specify if it would be before or after school.

EG. FRENCH - YES - BEFORE.

Please let me know by **Friday 9th March** so I can begin to make arrangements with Anna.

Kind Regards,

Miss Mitchell
