Welcome to our Newsletter!

We have had a great start to the spring term. The children are continuing to work hard. Our Year 6 booster classes have started and are proving popular and we are seeing the impact of the children's hard work already. Sadly we said our goodbyes to Mrs Glenn in our office team and we would like to offer a warm Priory welcome to Mrs Severn. She will be in school Monday, Tuesday and Wednesday. Thank you for your support in sending your children into school in the correct school uniform. It is important that children understand that they must wear the correct uniform and hopefully this helps all our parents in the morning. Looking forward to seeing you on parents evening.

School Uniform

Please can we take this opportunity to remind parents of our school uniform

- Navy blue sweatshirt, jumper or cardigan
- Sky blue polo shirt
- Grey trousers, skirt, pinafore
- Blue gingham summer dress
- Black school shoes (no branded black trainers)

Sweatshirts, blue polo shirts (all with the school logo) may be purchased through Just School Wear in Arnold, or online from Tesco. Please support us by encouraging the children to have a pride in their appearance.

PDSA Visit Priory

We had a fantastic veterinary nurse, Kaya, from the PDSA come in to visit us at Priory this week. She lead workshops with every class in school, looking at animal welfare, animal heroes and what it takes to look after our pets to keep them happy and healthy.

Kaya lead a super assembly and has inspired lots of us to do some fundraising for the PDSA, along with inspiring the future generation of vets.

Ask your child about their PDSA workshops and find out what they learnt.

Hello from the Priory Junior School Governors

We would like to share with you some of our recent achievements:

Governors are pleased that the overall attendance is good at 96.2%.

We are delighted that behaviour and punctuality continues to improve as more and more children achieve Priory Pride.

Staff are now instantly celebrating children's work and sharing successes on our Twitter account @prioryjuniors.

Progress in reading and mathematics is significantly above average with Priory being in the highest 10% across Nottinghamshire. Well done to all the Priory children and teachers! A huge part of the children's success is due to the support from parents and carers at home with reading and homework, we thank you.

Our schools relationship with surrounding junior schools continues to be strong and we continue to share best practice.

We would like to thank all our children, staff, parents and carers at Priory for a great term.

Your views matter so please get in touch with us via reception.

Sam Smith, Vice Chairman of the Governing Body
