Welcome to our Newsletter!

The Spring term has been very busy with trips to Perlethorpe and a tour of Nottingham with Robin Hood! Safer internet day went well and the children have had an 'update' as to how to keep themselves safe online. Unfortunately, due to lack of numbers the Parent Workshop was cancelled. Our website will be updated with new resources to help you keep your children safe online. We will try to offer the workshop in the summer across the family of schools. A huge well done to Lilianna and Freya for competing in the County Cross Country Competition in February it was a particularly wet Saturday morning in Wollaton Park but as usual, the girls did their best. Year 4 have thoroughly enjoyed their Drumming sessions making lots of noise on a Friday afternoon. A huge thankyou from myself regarding your support during February with our heating, water and the 'Beast from the East' closures. Please take a look at Priory's new Facebook page. This is updated most days – see Year 6 writing, football stars, leaders of learning plus lots more. This is a constant stream of information and celebrations. Please ensure you have returned the green Parents Facebook Agreement Form.

Late Penalty Notices

We have noticed a rise in the number of children arriving late into school. School starts at 8:55am. Staff have completed their electronic registers by 9am. Teaching begins at 9am this may include small group pre teaching for a lesson later in the day, specific interventions to support your child's learning or whole class teaching. If your child is late they start the day feeling unsettled this can affect their ability to learn. The Local authority do advise us issuing fines for persistent lateness. If you have a difficulty getting your child to school please contact the office for an appointment with Rachel our Parent Support Worker.

If your child is absent from school please let the office know before 9am via a call or text.

World Book Day

Book week although delayed due to snow was a real success. The highlight being an assembly where David Litchfield author of 'The Bear and the Piano' skyped our school. The children looked great in their outfits. Here are some pictures from the day.

Priory Junior School Parent Governor

We are currently looking to recruit a new Parent Governor. If you are interested please come and have a chat with myself or one of our Governors. We will be sending an email to all parents before Easter with details on the role and how to apply.

Many thanks for your support

Mrs Curson
