## Welcome Back

Welcome back to a new school year- I hope you have all had a relaxing summer. A special welcome to our new children and parents in Year 3, we hope that you feel part of the Priory family and please ask us if there is anything you are not sure of, or need help with. We welcome Mrs Kerr in Class Zazu, Mr Martin in Class Timon and Mr Ryder in Class Rafiki and hope they will enjoy being part of the Priory team.

## Building Update

As you will be aware, we had some extensive building work completed over the holidays. The building team have worked very hard to install new pipework and radiators in all areas of the school. There is still some decorating work and work in the Boiler room to complete; the vast majority of the work is taking place in the evening and the building team are not working in teaching areas whilst the children are working in school. We are working hard to keep the disruption to a minimum and to ensure that it does not impact on your children in any way. Huge thanks to the staff team for making the school not only ready for the new term but making it look so fantastic in such a short space of time. Due to the building work, the staff are having to park on the road outside school so there is an increase in cars parked off site. This may mean it is more difficult to park outside but we ask you to respect our neighbours and park considerately.

## Website

We are hoping to launch our new website very soon! The website team are just putting some final changes to the website and then we will let you know when it goes live! We are hoping that the new website will be more user friendly and enable you to find out all the things you need to about school.

### Dates To Remember:

| 4 <sup>th</sup>  | Nov  | Inset Day                |

### Uniform

Many thanks to you for all the efforts you have made to make sure that your child returns to school in correct uniform. They are looking so smart and I know as a parent myself the effort it takes to get uniform ready over the summer – as well as the expense! Just one reminder – novelty hairbands are not part of our uniform so if we can ask you to ensure your child wears a plain hairband in school colours and ensure that if they have long hair it is tied back. Please check what days your child has P.E and ensure that they have the correct kit in school.

The correct kit is white t-shirt, Navy blue or black shorts and trainers. A dark plain tracksuit can also be worn – football tops, bright t-shirts or multi-coloured leggings are not part of our P.E kit – the exception being a house t-shirt if your child wishes to wear that for P.E.

### Absences

If your child is going to be absent from school can I remind you to ensure that you contact the school office **by 9 am**, this can be by phone or by text so that we know that your child is safe and will not be in school that day. If we do not hear from you and your child is absent, we will always contact you to find out why they are not in school.
