

Puffin Academy is now working again!

We are pleased to let you know that Puffin Academy is now working again so you and your child can now access Mymaths and Activelearn for their online homework.

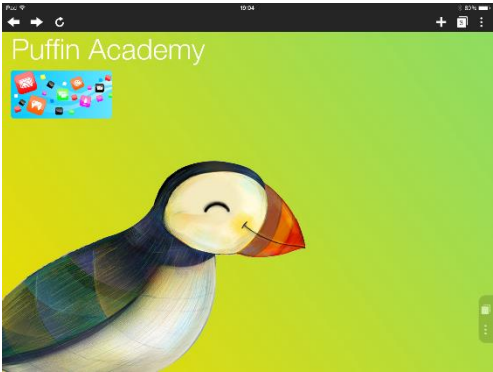

We have created a step-by-step guide of how to get this working on your tablet. Once this is set up it will just be a quick click and log in each time 😊

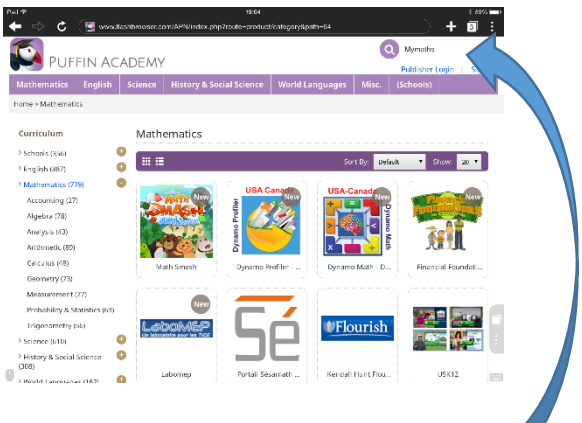

1. First go to the app store and download Puffin Academy (purple icon) for free.

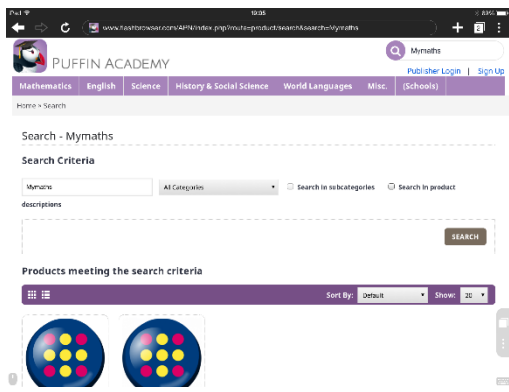

2. Launch the app.

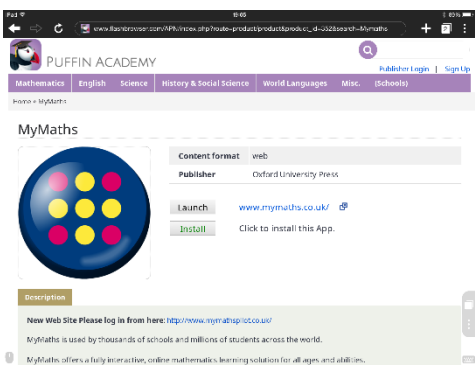

3. Click on the Puffin Academy portal (blue colourful box)

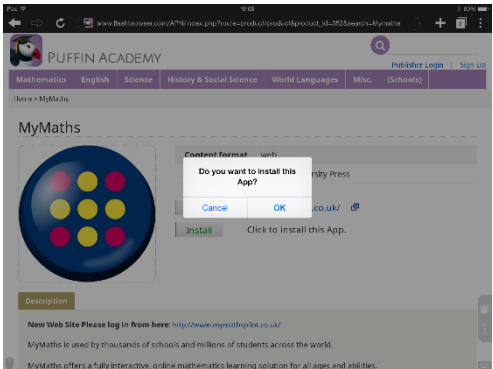

4. Now use the search tool to search for 'Mymaths'

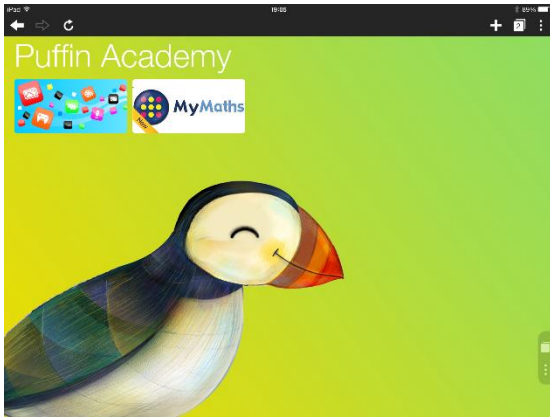

5. Click on 'Mymaths' logo.

6. Install Mymaths.

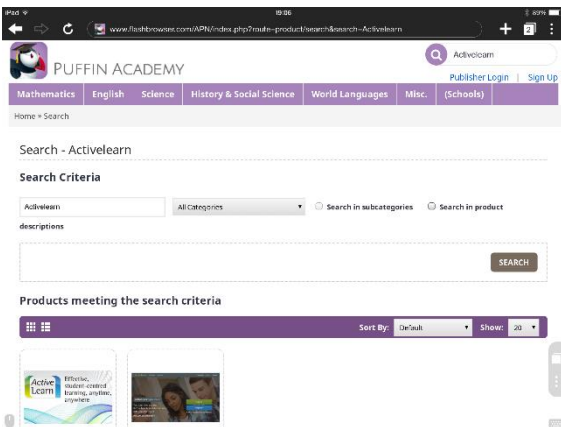

7. Select 'ok'.

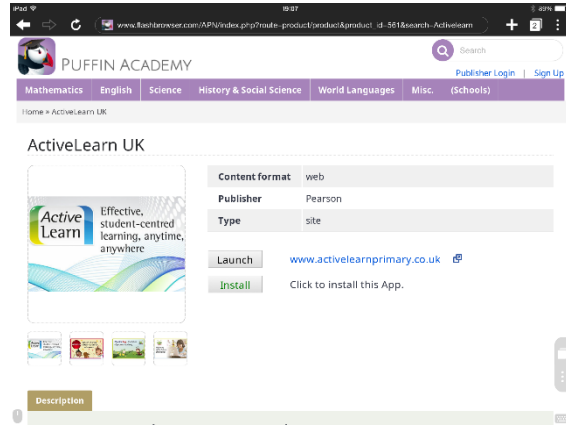

8. The 'Mymaths' app will now appear on your Puffin homepage for you to launch easily each time.

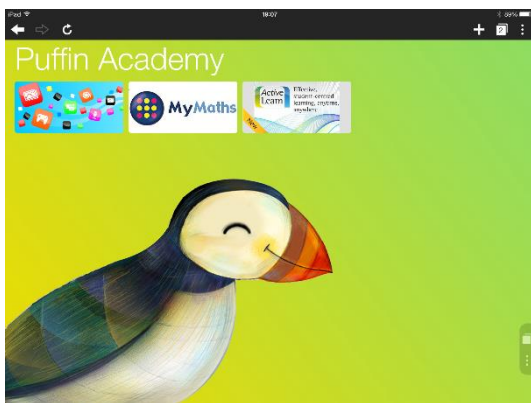

9. Launch the app and this will take you to the website to log in with the details in your child's planner.

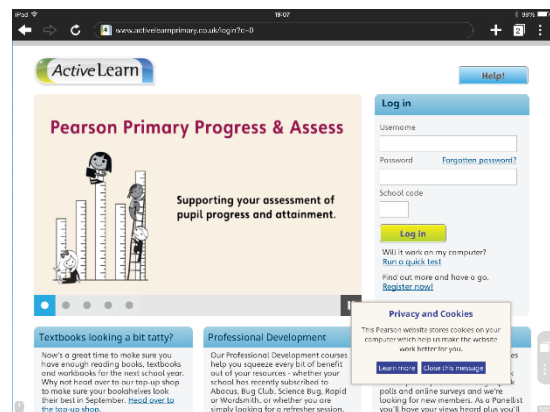

10. To find 'Activelearn' go back to the portal and search again.

11. Click on install to keep the 'Activelearn' app on your homepage.

12. Now you should have both apps on your homepage.

13. Launch the 'Activelearn' app and log in using your child's details.
