13th March 2017

Dear Parents/Carers

We wanted to write and let you know about a change in the way we will be handling dinner money after the Easter Holiday. Also about a price increase from April, a meal will cost £2.30 per day or £11.50 per week.

We will be going onto a cashless system which means all dinners will need to be booked and paid for online in advance. This can be done weekly or termly but will need booking and paying for before midnight on the Sunday prior to the start of the week.

We will be sending a text and email with the link and your password to the School Money website (some of you will have already used this to pay for trips). Bank details are not shared with school in any way, School Money is an independent external company.

What we would ask you to do before the Easter holiday, if you have not used it before is have a look and make sure you can log in (help sheet on reverse of this letter). Please **do not** add any money for dinners for the remainder of this term as the system will not be up and running for meal orders until after 1st April.

If you have any problems logging in please give us a call or pop into reception so we can sort this before the end of term.

Yours sincerely

Mrs S Curson
Headteacher
