

# Silver Pride

## **I care for and respect everyone and everything by:**

- sharing resources with other children.
- respecting other people's views and ideas.
- carrying out 1 'random act of kindness' a day.
- befriending someone who seems lonely.
- picking things up and using my initiative to put them in the correct place or find the rightful owner.

## **I show good manners by:**

- waiting for others to finish a conversation before speaking.
- saying 'excuse me' when I would like to speak.
- not speaking with my mouth full at lunchtime.
- volunteering to say a special 'thank you' to a visitor in school or after a trip.

## **I follow instructions with thought and care by:**

- doing as I am asked by all people in our school.
- being safe on the internet by following website and app guidelines.
- starting work as soon as I am asked to and staying on task until I am finished.
- always responding thoughtfully to PAR comments without needing reminders.

## **I am honest because...**

- I am trusted by adults and have a job in my classroom.
- I am able to tell the truth to all adults in school.

## **I use Priory Power to achieve by:**

- always getting at least 60% correct on Mymaths, reading 5x per week (including Bug Club) and continuing my topic learning at home.
- working on my targets whenever I can across subjects.
- being able to explain what helps or stops me from learning.
- being brave and looking for opportunities to challenge myself.
- being determined to conquer tricky things so I can get out of the 'Learning Pit' myself.
- sharing my dreams for the future and working towards them.
- writing reflective and useful PAR marking comments.
- attending a school club or a regular activity outside of school.
- achieving my Hawk Girl Multiplication Superhero.

## **I show pride by:**

- always presenting my work neatly and having a pen licence.
- aiming for at least 93% attendance.
- using my school planner to record all homework and reading.
