6th November 2018

Dear Parents/Carers,

Our topic for the second autumn half term is "Spectacular Space". With this in mind, we have booked our first trip of the year to The National Space Centre in Leicester. The trip is planned for Friday 23rd November and the cost will be £8.33 per child.

The Space Centre offers the children a unique opportunity to explore the wonders of space through first-hand, real life experiences including: a show in the 3D planetarium, an opportunity to create their own weather report, as well as life sized models of space rockets.

Please return the slip below to school and make payment for the trip on the School Money system by **Friday 16th November 2018**.

Many thanks,

Mrs Corkhill and Mr Walsh
