11th March 2019

Dear Parents/Carers,

On Friday 29th March the whole school will take part in a day packed full of prehistoric workshops, led by the fantastic 'Teach Rex' team. There will be many exciting things happening in school in the run up to this day, so watch our Facebook page for updates.

On the day, Teach Rex will hold two workshops for the children in school. The first workshop is a science focused workshop, discussing the evolution of science and why it so important to ask the question 'why'. This is an interactive workshop, with 'Jam' our 4-metre dinosaur, which is designed to get children of all ages thinking scientifically. The second workshop focuses on expanding vocabulary and encouraging children to discuss ideas that transfer into writing, using our green screen to ignite their imaginations. All of the content in this workshop is directly linked to the writing, drama and ICT syllabus.

If you would like to know more about the Teach Rex team, please visit www.teachrex.co.uk

The cost of this event is approximately £1,000. However, the PTA have kindly subsidised this, leaving a minimal cost to parents. The cost is £2 per child and is payable via the School Money system. Payment must be made by **Thursday 28th March 2019**.

Yours faithfully,

Mrs Tilling & Miss Graham
