It has been another busy week in school – one of my favourite things of the week has been the knocks on my office door from children coming to visit with a piece of work to show me that they are proud of. I have seen some impressive pieces of work this week and have given out a number of Head Teacher awards – it really is the greatest pleasure to see how hard children are working to improve and progress with their work. A special mention to all the children in Year Six who are really focused and working so hard on the build up to their SATS, as are the Year Six staff – a real team effort. We have received two nominations for the Parent Governor position. Your child will be bringing home the ballot forms and we ask you please to take the time to vote for the person who you feel is most suitable to take on this important role.

I am as you know a working mum myself and know how tricky it is juggling childcare arrangements. I do also appreciate how things can change at the last minute. Can we ask you wherever possible to make sure that arrangements for the end of the day are made with your child before they leave for school, rather than ringing the school office just as the school day ends. This is because the school office is very busy and we cannot guarantee that your call will be answered and your message passed on before the day ends. Your help with this is appreciated. One other thing I need your help with is not parking on Beverley Gardens at drop off and pick up from school. There was a problem with the dustbin lorry getting along the street this week. We have also had a resident miss a delivery as the van could not get through and gave up and went away again.

Finally, this week, we would like to congratulate Miss Loom for her amazing achievement – running the London Marathon last Sunday. Miss Loom has battled injury during training but completed the marathon in a very respectable 4 hours and 34 minutes. Miss Loom showed the children her medal in assembly and spoke to all the children about setting goals and aiming for them – very inspirational, so much so I've dug out my running trainers! Enjoy the long weekend and see you all on Tuesday. Mrs Brown.

Weekly Update

Monday 6 th May	Tuesday 7 th May	Wednesday 8 th May	Thursday 9 th May	Friday 10 th May
