Year 6 SRE (Sex and Relationships Education)

13th June 2017

Dear Year 6 Parents,

During this half term, your child will have the opportunity to take part in our Year 6 SRE lessons about birth. We use the Channel 4 Living and Growing series of DVD's to support SRE throughout school. Your child may come home and talk to you about some of the themes we discuss. If you have any concerns please don't hesitate to contact us.

We will start the first lesson by talking about each child's birth, so it would help if they can complete the homework we are sending home tonight – they will need to bring a baby photo in, along with any information they have about when and where they were born (this is due in for Tuesday 20th June).

We will then move on to discuss the importance of relationships for couples who want to have a baby. We will learn how babies are made, how they grow and finally how they are born. We also cover the difference between a friendship and a sexual relationship, with the focus on the need for supporting and caring for each other before and after having a baby. We will also revise the work done in Year 5 on puberty.

Thank you for your support. Please feel free to contact us if you have any further questions or concerns. All of the resources that the children will be using are available to view, please contact your child's teacher if you would like to see them prior to the lesson.

Yours sincerely,
Miss Dhillon and Miss Graham

.....

I give permission for _____ to take part in the Year 6 SRE lessons next week.

Signed _____
