10th October 2018

Dear Parents and Carers,

As part of our English unit, using Anthony Horowitz's 'Stormbreaker' we have been learning about all things to do with Spies! Through reading the story, we have been learning about the different gadgets needed to be a spy and have been inspired to design our own.

We would like to invite you to our gadget morning on **Wednesday 17th October 2018 at 10am** where some of our children will be presenting a speech in the hope of an 'investment' and to be the winning design. We would love you to listen to the children's presentations and be part of the judging selection.

The presentation morning will start from 10am and finish at around 11am. In this time, you will hear the children's presentations about their gadgets, have the opportunity to ask the children questions about their designs, a chance to vote for your favourite design and hear the finalist's speeches.

We hope you can come along and join us to celebrate our learning. Please fill out the reply slip below.

Many thanks,
Miss Dhillon and Miss Chilton
